Up north this month for a photoshoot with the brilliant Scott Ward – watch this space for that – it was worth the trip to remind us that while we're *Club 'International'*, there's a wealth of wonderful women just in Britain. We hadn't been to Sheffield in years, but Team *Club* was dropping its jaw every five yards. Then we remembered it's a student town. Surely in these times of tuition fees, there must be red hot students who'd like to appear as Readers Girlfriends? Get in touch... ♣

Dear Club,

I've been living with Joanie for the past couple of years and, to keep our sex life fresh, we like to swing with other girls. It's mostly spontaneous hook-ups at dyke bars, but we also surf contact sites. That's how we found Marielle, an angelic-looking blonde clad in little white knickers so sheer and tight we could see her Brazilian-waxed crotch through them. We told her to make sure that she wore them when she came to visit us. She did, but she wasn't the sweet little innocent we were expecting. Immediately she arrived, she stripped down, bending over to make sure we saw the butt-plug in her bumhole. She said she'd worn it for the two-hour tube-and-train journey to our place.

There was very little talk – Marielle just kept drifting off, fingers straying down to her clit. Joanie didn't hold back, either. There was no kissing, no pause to suck on Marielle's cute little boobs. My girlfriend just ducked her head, yanked down those pants and started to give our guest a clit-licking.

Marielle began moaning, then even louder as Joanie stuck a finger in the hollow base of the plug, twizzling it around in her arsehole. Marielle was quivering, her hips giving little jerks and bucks, but I knew I could get her cumming even harder with a strap-on. Once I'd harnessed it to my crotch, I grabbed Joanie by the hips and slammed it into her, fucking her hard. I knew she'd be wet enough from eating clit to take it – and wet enough to get it nice and slippery for me!

I lay down on the couch and Marielle straddled me. I watched Joanie pull out the plug, Marielle cumming as her clit got more teasing. Then, slowly, Joanie guided my strap-on into Marielle's arse. It was slightly bigger than the plug, so I felt her stretch, then clench tight around the shaft. Marielle rode me more than I fucked her, little boobs jiggling about until she leaned forward so I could suck them. Her nipples were stiff and so sensitive – I soon had that little slut cumming all over again!

Joanie wasn't planning to be left out of the fun either. She sat on my face, her back to Marielle, and got her fanny sucked, juices sliding down my throat. Then she raised her bum so Marielle could eat her snatch, lapping up to her arsehole and rimming it. In the end, I had the two of them cum simultaneously – Marielle writhing on my latex cock as Joanie's cunt clamped around my tongue.

As the girls recovered, I helped myself to Marielle's skimpy knickers, breathing in the smell of hot, wet pussy as I fucked myself with a dildo. Not that I was left alone for long – Marielle did me with the strap-on, while Joanie vibed my clit, the two of them sucking on my nipples. I could write you more about that night, but Joanie says it's playtime now…

HAIR TODAY!

Dear Club,

Thank you for having the photo shoot of Nadia in Vol. 40, No. 8. It's about time you had a model with some muff hair instead of the usual clean-shaved models you normally have. I personally like a woman with a bit of hair down below, so please let's see in future issues more models with a bit more fluff like Nadia and Kyla Cole. Thank you.

John, Co. Durham

Glad you liked her John, and what a lovely muff it was. To be honest, fashion dictates the muffs we feature – most girls these days are totally shaven, or with the occasional landing strip. We can only think of a handful of girls – the two you mentioned, plus Daria Glower and Bobbi Starr, who keep a good muff going. We've got no problem with it – when we get nice Club class photosets of girls with hair down there, we're happy to print them!

Nadia gets muff respect from John!

KEEPING REGULAR!

Dear Club,
Sasha and Sandy in the same issue? My two favourite *Club* regulars of all time (okay, Ginny sometimes makes the top two, depending on my mood!)? You're spoiling us. But I've got a cheeky suggestion to make, and no offence. I've loved Sasha in *Club*, but maybe her reign is coming to an end. If that's the case (and personally, I hope not!), then here's a suggestion – your cover girl Danielle Maye would be the ideal replacement. She's British, blonde, tall, and that centrefold of her was so good that it took my attention away from Sasha and Sandy, which isn't easy. Anyway, have a think about it!
Kurt, Doncaster

Glad you liked the Danielle photos – we remember her starting out and we think she's really blossomed. Sasha will be around for a while yet – we hope – but we'll keep your idea in mind. Any other readers got any suggestions for a future regular girl?

Two of Megan Coxxx's favourite things...

You may be familiar with rising British star Megan Coxxx from the numerous movies she makes where she tucks into both pussy and dick with relish. Some pretty big dicks as well. But who knew she was also a wine buff?

"I got a tasting course for a birthday a couple of years ago and fell in love with wine," she reveals. "I'm currently big on reds from Ribera del Duero in Spain. They're gorgeous."

As are you. So, if you had to live without one thing, would it be wine, or would it be dick?

"It's a silly question, but if I really had to choose, I'd live without wine. I can't imagine a day without dick, never mind a lifetime!" ♣

Club's Rough Guide

Our resident armchair athlete, Matt Loxham, trawls the sporting calendar to give us the lowdown on what he'll be sat in his pants watching over the next few weeks...

The Prix De L'Arc De Triomphe – Longchamp, Paris – Sunday October 2nd

It's the second richest horse race on turf with a total purse of four million Euros; a prestigious Group One gallop over one and a half miles that pitches some of the best three year olds of the moment against a clutch of talented older stagers. The contest is one of age versus youth, raw talent versus experience, and it's one that has thrown up some thrilling clashes and brilliant champions over the years.

Since the race was established back in 1920, the Prix de l'Arc de Triomphe (or 'The Arc' so I don't have to keep typing all that French guff), has been won by some of the greatest thoroughbreds ever to grace the turf. For the three year-olds, these include the legendary Sea Bird II in 1965, Mill Reef in 1971 and, more recently, equine luminaries such as Sinndar and Sea The Stars – a horse that many consider to be the best of all time.

Representing the 'olds' on the roll of honour we have late-bloomers such as Sakhee and Dylan Thomas, proving that this isn't just one for the whippersnappers. Several horses have even achieved the rare feat of winning The Arc in consecutive years aged three and four. These include the Lester Piggott ridden Alleged in 1977 and 1978, and the French colt Ribot back in 1955 and 1956, a gap of more than two decades proving that it doesn't happen very often.

If you fancy having a punt on the 2011 running, however, there are several factors to take into consideration before parting with your hard-earned dough. Out of 88 stagings of The Arc, 64 have been won by French-trained horses, and despite the recent heroics of Dylan Thomas and co, the three year-olds traditionally dominate.

Indeed, seven out of the last ten Arcs have been won by the youngsters, making this a race where age is definitely important.

Before putting your money down, you might also want to check if you're betting on a bird or a bloke. Over 88 runnings, mares and fillies have won just 17, meaning Longchamp isn't traditionally a place to follow the ladies. And once you've found out the age and sex of your planned punt, you might want to see if it ran in our English Derby, as horses that go well at Epsom tend to go well in The Arc, as both races are run over a very similar distance.

Taking all the stats into consideration, and at risk of stating the obvious, what any canny flutterer having a bet on the race should be looking for is a male French-trained three-year-old who has won the English Derby. Handily, that criteria is met exactly this year in the shape of Pour Moi, a horse who did the unthinkable and dashed the Queen's hopes back in June at Epsom, beating her Royal Highness's charge, Carlton House, into third place.

However, although everything appears to be pointing to a victory for Pour Moi if he runs to form, there are several horses that are capable of beating him on their day. Nathaniel, a three year-old colt who missed the English Derby but who recently won the Group One rated King George VI and Queen Elizabeth Stakes is one such threat, and for the older challengers it would be foolish to rule out Workforce, a tough four year-old colt who achieved the impressive feat of winning both the English Derby and The Arc in 2010, and who'll be attempting to become one of the few horses who have won The Arc at both 3 and 4.

Expect a thrilling race – even more so if you've stuck a few quid on the winner.

Club Predicts:

1. **Pour Moi**
2. **Workforce**
3. **Nathaniel**

Rugby League Grand Final – Old Trafford - October 8th

The structure of modern Rugby League – or Super League as it's been called since 1996 – has become really bloody complicated over the last decade or so. Indeed, to the innocent bystander it might look as though the game has been gradually tweaked by the powers that be to make what is a fairly simple and hugely entertaining sport as confusing as possible to the point where an exciting sport has been devalued by convoluted rules and stipulations.

Admittedly some changes, when considered on a very simplistic level, have been genuinely innovative, with quotas designed to support 'grass roots' rugby meaning, for example, that sides must have a minimum of eight homegrown players in their squads and a maximum of five from overseas. In addition to the quotas, to try and maintain a level playing field an enforced wage cap means that the combined earnings of each team's top 25 players must not exceed £1.6 million.

The head-scratching begins when you find that these rules don't apply to every club. For example, Harlequins RL, the Welsh outfit Crusaders RL and the Catalan Dragons are allowed more overseas players than everybody else, and some players from other countries don't count towards the quota.

In a bid to spread the confusion of Rugby League, there's even something called a 'Magic Weekend' where an extra round of matches comprised of local rivalries is played over one weekend at Cardiff's Millenium Stadium.

With all the stipulations and seemingly bendy rules, it's no wonder fans of the game think it must be a bit of a laughing stock to non-devotees, and the competition format throws up even more contrivances. Super League is currently made up of 14 teams – 12 from England, one from Wales and one from France, who each play twenty-seven regular season matches. Winning the league merely bags you a tinpot trophy, a pat on the back and a place in the play-offs along with the seven teams that finished below.

You probably won't be surprised to hear that, far from being a straightforward knockout scenario, the play-offs become far too convoluted a business to explain in a paragraph, but very roughly they involve fifth to eighth battling it out to see who gets a shot at the big boys, whilst first to fourth tussle to see who has to play the lower-ranked outfits. The teams that finished higher in the league can then start picking their opponents and receive home advantage, and then once the wheat has finally been sorted from the chaff we get into a position where one team must beat another to get into the Grand Final. Complicated? Yes.

> **"Amidst all the smoke and mirrors, Wigan and Leeds have been most successful recently"**

Unfair? Possibly.

Amidst all the smoke and mirrors, Wigan Warriors and Leeds Rhinos have been the most successful outfits in recent times, with Wigan the current champions and Leeds having won a hat-trick of titles in the three years before that. In 2011 it's all about Wigan and Warrington at the top of the table, although with all the intricacies of the play-offs to negotiate it's anyone's guess who'll be fighting it out for the Super League title at Old Trafford on Saturday October 8th. Perhaps that's what makes it all so exciting. Certainly, with all its pace and aggression the game itself is thrilling to watch, but surely it would cause less consternation and attract more supporters with a simpler, fairer and more streamlined structure?

Until the powers-that-be agree, just try and forget about all the surrounding bafflement and enjoy the action – I think that's what a lot of the fans do.

Club Predicts:

Winners – **Wigan Warriors**
Runners-up – **Warrington Wolves**

GAME OF BONES!

After True Blood's vampire-vag overload, HBO's latest classic gives us stacks of medieval minge!

Whether you're a dodgy downloader, or you're lucky enough to have Sky Atlantic on your squarial (or whatever they're called these days), chances are you've come across *Game of Thrones*, HBO's blockbuster series based on a series of sword-and-dragons fantasy books by George R. R. Martin.

Such a hit that they greenlit series two just hours after the premiere, it starred Sean Bean, Mark Addy, Aidan Gillen, Lena Headey and brilliant whoring dwarf Peter Dinklage. But best of all was newcomer Emilia Clarke. Playing Daenerys Targaryden, she knocks around with a bunch of monosyllabic muscle-men called the Dothraki, and spends much of the show with her top dragons out.

Equally fit is Roxanne McKee, a girl who once claimed the coveted 'Sexiest Female' gong at the British Soap Awards for her role as Louise Summers in *Hollyoaks*. She plays Doreah, a concubine, who does some naked bath stuff that makes us wish we didn't have modern sanitation and power showers. Bring on series two and stacks more smoo! ♣

We take Brynn's bait...

The US porn star life isn't all having sex by day and partying in the Hollywood hills or L.A.'s hottest clubs by night. Nor is it all petting chinchillas, tweeting and getting tattoos, despite what you may think.

For Brynn Tyler, it's all about escaping to the countryside when she's not on set. After a day of chugging cock, she likes nothing better than a babbling brook, some peace and quiet and the chance to catch some fish. Not for her the party scene, she's more of the contemplative type. Although, it's got to be worth noting that having a rod in her hand describes not only her favourite hobby, but her day job as well... ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

Sometimes I like to be a bit of a girly girl and flop around in pink – pink pyjamas, pink lingerie, pink everything. The best things in life are pink – tongues, nipples and pussies. Okay, dicks aren't pink, but they're nice and red when they're hard and straining to cum, and that's close enough!

My tastes are pretty simple when I'm masturbating. I'm cool with toys – check the website to see how cool! – but fingers are best – you can get to exactly the right places. And fingers are so much nicer to suck clean when they get all sticky. I love to do that when I give handjobs as well. I like to lie a guy down on the bed, so I can kneel on the floor with his cock in easy reach. It means he's looking right down at me, and I can give his balls a little suck while I'm doing my work. When he eventually shoots his lovely jizz, I don't stop stroking until every drop is out. By then my hands are coated in it. And that's when I suck and lick them clean, my pink tongue going to work! ♣

Dear Sasha

I'm sure you're well aware of the film *Indecent Proposal*. And my proposal for you is pretty indecent. I'm quite a wealthy businessman, but there's one thing I don't have that I want – you in my bed. I know it's a touch crass, but I'd pay anything for a night with you.
William, Chelsea

I'm sure you mean it nicely, William, but I'm quite offended! I don't sell myself in that way – if a man really wants me in his bed, he'll work at it. I'm not even an expensive date – be nice to me, talk to me properly, make me laugh and I'll do things to you that you can hardly imagine. But waving money at me is a real turn-off!

Dear Sasha

I reckon a lot of girls talk about how much they like it in the bum just to impress us blokes, but they don't really mean it. How about you, Sasha? You have an amazing arse, and I wank myself sore imagining that you like to take a hard prick in it. So, do you?
Matt, Edinburgh.

I like a man who gets straight to the point, Matt. So, yes, I do. Of course, it's got to be part of a whole night (or day) of sex. I want my pussy licked, I want to suck dick, I want my pussy fucked, I want to go through all the positions, and then I want it in my bum. I'm not just into going 'straight to the A' as they say in porn films, you've got to work up to it! ♣

Perhaps it's a reaction to most people being content with the crappy cameras on their iPhones – you can now safely ignore those people and cater to your core.

The EOS 1100D is a cracking stills camera and a great halfway point between a run-of-the-mill compact and a fully-specced monster. It records HD up to 720p, which is more than enough for most people, but this also does the basics brilliantly.

Dell, while a hugely successful company with a big slice of the computer market, has always been between a whole bunch of stools. But they do their thing quietly and efficiently, and they've got some nice laptops on the market at the moment. This has a lovely screen, lots of processing oomph plus 4GB ram, 2x USB3 (for lightning transfers), eSATA and speakers a cut above the usual tinny built-in shite. For £500, this is a real player.

Specs are tweakable – go for the Intel i5 processor if budgeting, the i7, if reaching for the stars. Even the bezel is touch sensitive, bringing up different functions depending on where you touch it, although there are some touch-screen issues with Windows 7, and scrolling isn't easy. Okay, our 'Dominno theory' that she's filthy isn't a real stretch. After all, she's a porn star and, whenever we meet up with her, she talks absolute muck to us. Like this...

"I hope your readers like my big tits. I think it's obvious they're my greatest asset, and I love to star in films where I can wrap them around a hard cock. Of course, I love to do that in real life as well – men just melt when you sandwich their hardness in your soft flesh. No. 14 – Nici Sterling

After last month's appreciation of Flick Shagwell, we stay on this side of the pond for an appraisal of another legendary Brit pornstar, the incomparable Nici Sterling. Blokes in their thirties surely won't be able to forget formative wanks they would have had over this plummy-voiced posh lass, with her beachball tits and lustrous brunette hair. Nici was born in Epsom Surrey in 1968 and started out appearing in mags like the one you're reading now, plus topless spreads in *The Sport*. It was the now-defunct mucky red-top that got her into hardcore, when they ran a competition offering ten lucky readers the chance to appear in a hardcore orgy film with Nici.

After that tawdry little exercise, Sterling relocated to the US, where she filmed a raft of explicit movies throughout the nineties, always adding an extra bit of spice to her scenes simply by talking in that cut-glass accent of hers. Oh, and by having a big gob perfect for blowjobs. We've not seen hide nor fanny-hair of Nici in a good few years, but she was inducted into the AVN Hall of Fame in 2007, her talents getting the recognition they deserve. Time for a comeback, wethinks.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?
THIS MONTH: Jessica Simpson

Usually in this slightly unfair-to-women column, I harp on about a popular female celebrity who once used to be the stuff of wet dreams whose looks have faded over the years to a point where the dreams dry up a bit, but you'd probably still have a go if offered. But this month it isn't the cruelty of ageing that's turned someone we fancied into someone we'd at the very least check to see we weren't missing an important match for, but the cruelty of pies and ice creams. Just a few years ago, Jessica Simpson was giving blokes boners in shitty films like the *Dukes of Hazzard* reboot (where she played Daisy Duke and looked damn fine in cut-off denim shorts) and warbling crappy pop songs with very watchable videos. Now, she's wolfed down a LOT of food and has made some bad fashion choices, which makes her about 75% less desirable. Yes, of course, don't be an idiot, we still WOULD but we'd no longer lose an arm for the privilege. Or even a toe. Maybe half a toe. But that's not saying much, is it? Half a toe?

COP A LOAD
A Los Angeles traffic cop has lost his job for making an unplanned 15-second appearance in a porn film. Officer John Dancler, who'd been with the LA Department of Transportation for 23 years, was at work and in uniform when he was filmed "groping the bare breasts and spanking the bare buttocks" of an adult performer in the movie *Back To The Streets* back in 2008. His impromptu performance only came to light recently, and when it did he was disciplined and dismissed. Dancler's lawyer claims he's been made a, "convenient scapegoat" but we're not quite sure what of, even though firing him seems pretty unfair to us. What kinda man wouldn't have a quick fondle if offered?

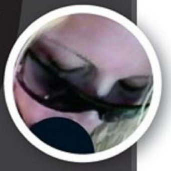
Celebrity Sex Tapes

Which future *I'm a Celebrity* candidates have we seen doinking?

5: 5: Jordan
Tit-monster Katie Price made a dirty movie with her tuneless fella Dane Bowers sometime around 2000, in which he wanked her with his toe. We really wanted to see what it was like to do it with her. It actually looks really rubbish.

4: Keeley Hazell
In 2007, the gorgeous Brit glamour girl Keeley made a surprisingly dull sex tape with her boyf, that soon made its way onto the net. A nation yawned (and wanked a bit).

3: Kim Kardashian
She was just a socialite before the sex tape scandal (and following legal brouhaha) turned her into a household name, brining us an utterly unwatchable turd of a TV show.



2: Pamela Anderson
The classic sex tape that arguably started them all, Pam wrapped all sorts of lips around rocker Tommy-Lee's big ol' willy. We first saw this on VHfuckingS!

1: Paris Hilton
She might be a tedious simpleton, but she's quite fit and, more importantly, the video is well shot so you can see everything. Looks like she gives a decent handjob too. Home-made pornographers take note!

PRICKIPEDIA

Things you may not have known about sex and suchlike

Hybristophilia is arousal derived from having sex with people who have committed crimes (or, as it's more commonly known, being a moron).

The male foetus is capable of getting an erection during the later stages of pregnancy (which basically means you fucked your mum).

In 1995, a poll in a popular women's magazine revealed that 70% of women would rather have chocolate than sex (but we don't know if they only asked the fatties). ♣

PHOTOS: SAGE STYLE!

SUNNY DELIGHT! ♣

Alyssa suds her buds...

There are a few reasons why Alyssa got so excited on this photoshoot. A fat ride, some soap and hoses to play with were just the start. But the thing she was giddiest about? Sunny Lane's tongue. Yup, recently retired porn star Sunny is famed for her long, flexible and pinpoint accurate tongue, and Alyssa wanted the works.

It didn't take long for Sunny to give us all a demonstration of its skills – swiping it over Alyssa's erect nipples before snaking it down her midriff to her trembling clit. Obviously we gentleman of the press were carrying newspapers to hide our extremely obvious and urgent lob-ons. Alyssa, bless her, came about a dozen times and then decided to show her tongue was no slouch in the licking department either. If only all carwashes were like this... ♣

BED CATH!

I'm a model, but before you all get too excited, not lingerie – I model jewellery. I work for a cable TV shopping channel, and it's my job to wear the jewellery that they sell and show it off to its best for them. I've been doing it for a couple of years now, and I must be doing OK, as several of the jewellery designers now ask for me by name to model for them. One of these is Catherine, who designs large chunky necklaces and bracelets using semi-precious stones like quartz and sandstone. I love wearing her stuff so when I was asked to do a two-day special show with her I jumped at the chance, even though it meant a night in a hotel away from my husband, John.

We did the first day's recording on a Friday, and it went really well – we sold loads of her stuff for her. The last items to be shown were a matching necklace and bracelet multi-gem set that were absolutely gorgeous. They sold out after about 10 minutes, so after filming ended I went to take mine off and return them in case they were needed. But Catherine saw what I was doing, came over, and said, "Keep them, they look fantastic on you." Now they were rather expensive, so I was embarrassed, and stammered that although I did love them, I couldn't afford them. "Don't be silly," said Catherine, "I'm sure that we can work something out."

I went back to the hotel, and really didn't know what to do for the best. Catherine and I were booked in at the same hotel, and had arranged earlier in the day to have dinner together, so I decided that it would be rude not to wear the set that evening, and thought that it might give me a chance to say again that I really couldn't afford it. So I dressed up a bit to show it off to its absolute best, and headed down to the bar where I'd arranged to meet Catherine before dinner. She was wearing a sexy black dress, cut low at the front to show off her rather impressive cleavage, and sitting an inch or two over her knees to reveal a pretty shapely pair of legs in sheer black stockings. Catherine always looked

> “I took her clit between my lips and started to suck rhythmically on it”

smart on screen, but usually quite business-like and professional. Tonight she looked more womanly and glamorous, and frankly rather sexy.

We enjoyed a meal together, but each time I tried to raise the subject of paying for the jewellery, Catherine told me not to worry about it. When I pressed the point, she leaned forward over the table, put her hand on mine, and said with a little twinkle in her eye, “Really, we’ll find some way that you can pay me.”

I should have paid more attention to what she said, but to be honest her leaning over the table had given me a clear view down the front of her dress, and my attention was rather distracted by the sight of her large breasts only just contained in a black lace bra.

After the meal we went back to our rooms, each saying that we needed an early night with another day’s filming ahead of us tomorrow. But I couldn’t settle – my mind kept drifting back to that view of Catherine’s cleavage over the table, and how heavy but firm her boobs had looked. So I decided to give myself a bit of a treat, sat up on my hotel bed, and switched the TV on to the adult movies channel. I scanned through the films on offer, and saw one that I recognised as one of my husband John’s favourites. I pressed play on the remote, then undid the button of my skirt as the film began, slipped my hand under the waist-band, and started to gently feel between my legs through my panties. I was surprised to find that the gusset was already wet to my touch, which made me wonder about the effect that Catherine must have had on me over dinner.

I continued to gently stroke my pussy through the material of my panties as the film got going, and then I had an idea. With my free hand I reached over for my mobile, and pressed the speed-dial for John. He was at home, so I told him to go upstairs and put the same film on the DVD, then got him to fast-forward it so that we were both watching the same bit as we spoke on the phone. It was the second scene, showing Ella and a blonde girl called Dani with some guy whose name I didn’t know, but who had a very large and thick cock. Ella and Dani were both down to their panties and were giving this guy a joint blowjob as he lay back on the couch. I knew that this was one of John’s biggest fantasies, so I decided to act out the role of Dani for him and began to describe what I was doing.

“Are you watching?” I asked, holding the phone in my free hand whilst my other hand continued to caress between my legs through the thin material of my panties. “Look how Dani is holding his cock while Ella sucks it. You’d like that, wouldn’t you – you’d like me to hold your cock for Ella while she sucks it for you?” I didn’t need to wait for an answer.

My hand had been busy at my pussy whilst I’d been talking, and now as I slipped it inside my panties I could feel that my inner lips and clit had swollen right up, pushing my outer lips apart, and allowing my fingers free access to my wetness. I dipped a finger inside to moisten it, then started to firmly circle around my clit with it, as I continued to describe to John what we could both see on screen. By now, the male lead had pulled Dani’s panties off her, positioned her on all-fours on the sofa, and slid his big hard cock into her from behind. Ella meanwhile had moved round to the side of the sofa and put

"He'd want to pull his cock out of your mouth and spurt over your pretty face"

one leg up on to it, giving Dani free access to her pussy, which she was making the most of by craning her neck forwards to lick vigorously between Ella's legs.

"You'd like to be fucking me from behind while I licked Ella's pussy, wouldn't you?" I breathed down the line to my husband. On screen, Ella and Dani were both groaning loudly, one in response to the fucking she was getting from the stud behind her, and the other as she was pleasured by her friend's tongue exploring her pussy folds. Both me and John were getting close too.

Just as I could sense us both getting close to the point of no return, the spell was broken by a knock on my hotel door. "Shit" I groaned down the phone, "Hang on, I'll get rid of them." I left the call open and put the phone down on the bedside table, then pressed the mute button on the TV and went to answer the door, only to find Catherine pushing past me in to the room.

"I've come about payment for the jewellery," she said. I was, of course, thoroughly flustered by now, and just stammered that I really couldn't afford it and that she would have to take it back. "I told you not to be silly," she smiled at me, "You don't have to pay with money." And with that she shrugged the shoulder straps of her dress off, and let it slip to the floor around her ankles, facing me to reveal underneath the full set of black lace lingerie that I'd glimpsed earlier in the evening. The bra was still only just containing her boobs, and I could now see that the stockings that I'd spotted below her dress earlier had a deep lace top, and were held up by a matching suspender around the swell of her tummy, above a ridiculously tiny thong – what little there was of this seemed to be almost entirely comprised of lace.

"Come on," she said, taking me by the hand, "I'll show you what I mean." She led me back in to the room, where she sat on the edge of the bed. Looking up, she could see the porn film playing silently on the TV, where the guy now how Ella sat on his lap facing away from him and riding his cock, with Dani in front of her sucking her nipples and rubbing her clit at the same time. "I can see that you've already made a start," Catherine said, smiling up at me as she pulled me down on to the bed beside her and kissed me passionately on the mouth. My brain was in a whirl as I thought of my husband still on the other end of the phone listening in, but then I thought why the hell not – if this is his fantasy then why not let him enjoy a bit of it for real. So I pulled my lips away from Catherine's and said in a clear voice, "You look so sexy here on my bed. I want to make love to you right now."

"That's what I was hoping," she replied, and leaned forward to kiss me again. I returned Catherine's kisses with an equal passion, reaching behind her as I did and unhooking her bra. Her breasts swung free as her bra fell away from her, and they really were a magnificent pair – large, probably as big as 36D, but firm and full even without the support of the bra, with big dark nipples standing proud. Still mindful of my husband listening in, I said, "God, your tits are amazing. I want to suck your nipples right now." Then I bent down and did just that, first one then the other, ensuring that I made a couple of loud slurping sounds as I did so for the benefit of my audience on the phone, and then saying,"I can feel the weight of your breasts in my hands. They're so big and heavy, and your nipples feel so hard in my mouth. I want to taste your pussy now. Let me lick your pussy and taste your juices."

I'm not sure that Catherine had expected quite such an enthusiastic and demanding partner, but she wasn't about to disappoint me as she lay back on the bed and slipped off her thong for me, revealing a small dark bush of hair between her legs, neatly waxed and trimmed. "What a beautiful cunt," I said, "I'm going to explore every last millimetre of it with my tongue." I lay down on my tummy between her legs, and buried my nose in her mound as my tongue probed between her neat pussy lips, pushing them apart and moving within. I raised my head up for a moment to say – apparently to Catherine but really to John listening on the phone, "Mmm, that tastes so nice. I wish my husband was here fucking me while I lick your cunt."

To my surprise, Catherine joined in with this

fantasy, and moaned back, "So do I. He could fuck you from behind while you lick me, then come up here and let me suck his cock clean of all your pussy juice. Would he like that – would he want me to suck his cock whilst his wife licks between my legs? Would that make him spunk in my mouth?" I knew that this talk would be making John horny as hell, so I decided to really go for it for him, and replied, "He'd want to cum on your face. He'd want to pull his big fat cock out of your mouth and let it spurt cum all over your pretty face, until you are covered in his spunk. Then he'd want me to come and snog it off you, so that we could taste your pussy and his cum all mixed together on our lips."

I knew that John would love this, but I didn't know if I was going a bit too far for Catherine. But she seemed happy enough to play along and said in return, "Oh yeah, I'd like that. I'd like to feel your husband's hot sticky cum spurting over my face, then have you kiss it all off me with the taste of my pussy on your lips. Would that make him hard again? Would he want to fuck me up the arse then, like that girl on the film is getting?" I looked over my shoulder, and could see that the film had moved on to another scene, where a sexy brunette was taking the stud's large cock deep in her arse, whilst she was lapping at Ella's clit for all she was worth. I knew that John must be watching this at the same time so I replied, "Oh yeah, he'd love to have his cock up your arse while you give my clit a good licking. He loves a bit of anal. I'm going to finger your arse now to get you ready for him." And with that I buried my face back between Catherine's legs, and started to probe at her bum with my finger made wet from her juices running down from her pussy.

"Your arse is so tight," I said, "I can only just get my finger in. I'm going to give your clit a good sucking now, and make you cum." And with that I pushed my finger into her arse up to the second knuckle, then took her clit between my lips and started to suck gently but rhythmically on it, whilst fingering her arse slowly at first but with increasing speed.

"That feels so good," Catherine moaned, "You're going to make me cum." I let her clit slip from my mouth for just a moment to reply, "Let it go. Cum on my face, and let me taste that sweet pussy." Catherine let out a long, loud sigh, and I felt her arse muscles contract tightly around my finger as a flood of wetness poured out of her cunt and over my chin. I bent down and licked all around, tasting the orgasm juice that she had spilt. "Fuck me, that tastes good," I said, "I just love the taste of a woman's pussy after she's cum. It's the sweetest taste in the world."

Catherine just lay back, panting after the power of her orgasm, as I lapped around her pussy and continued my running commentary about what I was doing for the benefit of John. Then from the phone on the bedside table I heard a loud grunt, obviously as John shot his load. Catherine sat up and looked over, but instead of being cross as I might have expected, she just smiled and said, "That's John, I suppose. Well we'd better give him something to get him hard again." And with that she lifted my sticky face up from between her legs, kissed me long and hard on the mouth, then rolled me over and started to work her way down my body…

The Masters of Cinema Series
# 20
HARAKIRI [Seppuku] 切腹
a film by Masaki KOBAYASHI

Harakiri

(Eureka Entertainment Ltd., Blu-ray & DVD £23.48)

Eureka's recent reissues of classic but often overlooked Japanese movies continues apace with a dual-format release of Masaki Kobayashi's wonderful *Harakiri*. Originally released in 1962, it tells of Hanshiro Tsugumo, a masterless Samurai who asks Lord Iyi if he can commit ritual suicide on his property. He is then told about a story about the fate of the last samurai to ask the same thing. Tatsuya Nakadai, a veteran of *Yojimbo* and *Ran*, stars, and the film skewers both feudalism and the samurai traditions in a brilliantly watchable dissection of Japanese culture.

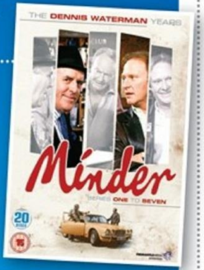
Minder – The Dennis Waterman Years

(FremantleMedia Enterprises, DVD £99.99)



THE DENNIS WATERMAN YEARS
Minder
SERIES ONE TO SEVEN

We seem to have forgotten just how beloved *Minder* was in the early to mid 80's. It was at its best when concentrating on the uneasy relationship between George Cole's wheeler dealer Arthur Daley and unpretentious ex-con Terry McCann (Waterman). Throw in a regular boozer, a troublesome cop and a raft of character actors, and you've got a comedy drama tailor-made for prime-time. A dose of this is enough to rid your mind of any traces of the recent Shane Richie 're-boot'. ★★★★

Fremantle have kindly given us a box-set to give away to one reader. Simply email clubint@paulraymond.com with the name of The Winchester Club's barman to be in with a chance.

Insidious

(Momentum Pictures, DVD £15.99, Blu-ray £19.99)

"SO SCARY I WAS WHIMPERING IN SHEER TERROR"
INSIDIOUS
IT'S NOT THE HOUSE THAT'S HAUNTED

Considering director James Wan and writer Leigh Whannell co-created the dismal *Saw* franchise, it's surprising that this hit eschews the torture porn route. It focuses instead on old school jumps and thrills as it tells the story of married couple Renai (Rose Byrne) and Josh (Patrick Wilson) and their three children. When the eldest, Dalton, falls into a coma, strange things begin to occur in the house. Is it haunted? Or is it something else entirely? ★★★★

Momentum have given us 3 DVDs of Insidious as competition prizes. Email clubint@paulraymond.com (or write in to the usual address) with 'Saw was rubbish, but this looks alright' in the subject field to win one.

Strigoi

(Bounty Films, DVD £16.34)

We've been buckling under the sheer weight of vampire movies here at Hedonist – yes, we even let someone talk us into watching *Twilight* – but *Strigoi* is a breath of fresh air. It's a real departure for the genre, an independent Romanian movie that doesn't forget that character, wit and plot development are just as important as pints of claret. Vlad has been in Italy and returns to his Romanian village only to end up in a murder mystery. Is it rich landowners (and ex-commies) the Tirescu's who are responsible? Or is there an ancient blood curse at work? A curio, but one that's a few notches above the vampire also-rans.

★★★★

13 Assassins

(Artificial Eye, DVD £15.99, Blu-ray £19.99)

"TRIUMPHANT... PURE JOY"
13 ASSASSINS
"ONE OF THE GREATEST SAMURAI MOVIES EVER MADE"

From film to film Takashi Miike genre-hops shamelessly, and here the man behind *Audition* tackles the Samurai genre and carries it off with aplomb. Set in 19th centusry Japan, noble samurai Shinzaemon gathers 12 more swordsmen to assassinate the evil, murderous rapist Lord Naritsugu. The odds they face are overwhelming, but they rely on brilliant invention to help them in their quest. The film is a masterpiece of pacing – a leisurely build-up culminating in a spectacular set piece. ★★★★

Artificial Eye have generously given us 3 DVDs of 13 Assassins to give away. Email clubint@paulraymond.com (or write to the usual address), with '13 Assassins' in the subject field to put your name in the hat.

Hatchet 2

(Arrow Films, DVD £12.99, Blu-ray £19.99)

"HATCHET 2 IS ONE OF THE BEST SLASHER FILMS EVER"
"TWICE THE GORE, TWICE THE INTENSITY!"
HATCHET 2
AN ADAM GREEN FILM

Tony Todd has gone from being the star of his own horror series (*Candyman*), to appearing randomly in lots of others. Here he's adding menace to Adam Green's sequel to his own movie. It starts where *Hatchet* ended, a girl in the clutches of series baddie Victor Crowley in his grim swampland killing grounds. It's a fun ride, with lots of grue, a few knowing winks to the audience and genre staples aplenty. ★★★

We have three DVDs of Hatchet 2 to give away, courtesy of Arrow Films. Simply email 'Candyman, Candyman, Candyman' to clubint@paulraymond.com or write to the usual address.

The Treasures of the Olympic Games

THE TREASURES OF THE OLYMPIC GAMES
An interactive history of the Olympic Games featuring removable historic memorabilia and a DVD of dramatic Olympic moments

The Official Olympic Museum in Lausanne houses more than 10,000 pieces of Olympic memorabilia and they've raided their own archive for this fascinating glimpse into the history of the Olympic games. Packed with rare photographs and the removable artefacts familiar from the *Treasures*... series, it tells the story of the games development and arguable over-commercialisation. It doesn't shy away from tricky moments – Munich, for example – and is a perfect warm up if you've got 2012 fever.

SEVENS RUGBY

With the Rugby World Cup just round the corner, there's no better time to arm yourself with some inane trivia or pub ammo for when you're craning to see the screen in your local boozer over all the upturned polo-shirt collars. In such circumstances it's essential to know who Namibia's leading points scorer is (Jaco Coetzee, obviously) or that Finland are the lowest ranked team in the IRB World Rankings, below even Luxembourg. Yes, it's a cornucopia of fun facts for egg-chuckers everywhere. ♣

ALBUM REVIEWS

MOTORHEAD

Early Years box Set (Sanctuary)

A massive box with 8 CD albums and 7 CD singles of the band's rock anthems from 1977–1984 with pin badges, programmes and a book thrown in. The problem is that it costs the lion's share of £260, meaning that if you like Motorhead as much as fat kids like chips, then you're going to have to rob your local post office.

THE DRUMS

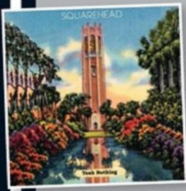
Portamento (Island)

Downloading The Drums' debut last year after all the hype was a bit like shagging your bosses wife – within a few days you wish you'd never bothered. Their 2nd album isn't particularly bad but the 80mb of space it would fill up on your phone could be put to better use.

THE DUKE SPIRIT

Bruiser (Polydor)

The best thing about The Duke Spirit is blonde lead singer Liela Moss – you would love to rim her. This is that emotional and meaningful indie stuff that creative students love. Blag your way into the art school disco, start blabbing on about this and a bit of Renoir, and watch them froth.



SQUAREHEAD

Yeah Nothing (Richter Collective)

Squarehead are a nice little Dublin trio who make Beach Boys style pop songs that are perfect for when the sun makes an appearance. They don't sound that Irish and Morrissey has been to see them, so if it's good enough for him, it'll be good enough for the next indie chick you have exercising the end of your cock.

EVERY AVENUE

Bad Habits (Fearless Records)

Fancy a slice of American emo punk pop? Then have a bite of this. If you bump into any Yanks over the next few months then tell them that they're beautiful, play them some of this, and with any luck they'll let you play with their clitoris for the next half hour.

CRYING WOLF

Club chats to ex-Adam & The Ants bassist and current Wolfmen bassist and vocalist, Chris Constantinou…

What jobs did you do before the music stuff and did you fuck any girls there?

Hmmm. I worked in a KFC in one school summer holiday but didn't fuck any girls. I also unpacked frozen fish from a lorry in another summer holiday but I didn't fuck any girls on this job either. I like to think it was due to the fact that I reeked of fish that put them off.

What is the most random thing that has ever happened to you?

I once walked onto the roof of a hotel and I saw a Spanish girl about to throw herself off. I talked her down and she stayed in touch afterwards. And no, I didn't fuck her either! Also, someone once got shot dead in the audience whilst I was onstage and the singer told us to keep playing – that was random.

In life generally, what has been your biggest fuck up to date?

Hmmm – too many to mention. Today's biggest fuck up is the guest list for the 100 Club gig tonight.

Have you ever knocked the fuck out of someone?

Never done that.

Please can you describe an encounter with the police.

There was once a bomb scare in a pub. Everyone was told to get out and I stayed inside for some stupid reason. The police kicked me out and I decided to get in a police car and drive off in it. Actually, that was a big fuck up too!

Please describe one place on this planet that you have been to that you loved.

Kathmandu in Nepal. I just loved the whole crazy mixed up vibe of the place.

Please can you describe the craziest night of your life.

With Adam Ant – but I can't go into details.

Have you ever killed an animal, either by accident, or for pleasure?

No.

What do you look for in a woman?

Ha Ha. Listen to the track *Cecilie* on our first album.

Where is the most random place you have had sex?

On top of the Eiffel Tower.

In the whole world, where is your favourite Red Light District?

Paris.

Have you got any little fetishes you can tell us about?

Ha ha ha ha. There's loads of them but I'm not telling though!

Have you ever been caught having a wank?

Loads of times – by my sister and my Mum and this morning by the rest of the band.

Do you like your ladies shaven or bushy?

Shaven please.

Tell us one of the worst things that has ever happened to you sexually.

Meeting a girl and then finding out back at my flat that she was in fact a man.

Cheers Chris – keep on shaggin'!

The Wolfmen's 2nd album *Married To The Eiffel Tower* is out now on Howl Records and it is class.

DEAD ISLAND

You can't leave the house these days without bumping into a zombie shuffling past. Whether it's on TV (*The Walking Dead*), in countless films (*Shaun of the Dead*) or in hugely successful games like *Dead Rising*, zombies are giving vampires a run (well, a slow shamble, perhaps) for their money in the zeitgeist stakes. *Dead Island* drops you on tropical island Banoi, in charge of four protagonists surrounded by hordes of zombies.

It combines first-person shooting with plenty of RPG elements and its open world with the possibility of four-player co-op makes it a must for zombie fans. Weapons are scarce, zombies are numerous – use them wisely! Classic console mayhem even, er, on PC.

TROPICO 4

If you've ever fancied running a banana republic, but just don't have the contacts or the get-up-and-go, the *Tropico* series has long been your go-to game. Over 3 steadily improving versions, they've let you take the role of El Presidente, dictator of Tropico. Whether you choose to be a benevolent leader or a tyrannical piece of shit is entirely up to you, but impacts upon the direction of the game. *Tropico 4* is yet another leap forward, with new missions, maps and buildings, new superpowers to deal with, new disasters to keep your people in line. Immersive and fun, this is *Sim City* for your inner despot.

Until recently, it looked as if there was going to be an NFL Lockout, with a wide-ranging dispute threatening to disrupt the entire league program. Of course, nothing could disturb the annual update of the premier American Football simulator, which would have rolled out as relentlessly as always. It's still the daddy in this sector although, despite the hype, the 'innovations' for 2012 don't add up to much. Custom playbooks are great, but the 'All-New Collision System' and 'Advanced Defensive AI" are just tweaks, and don't really change your experience to warrant the update from 2011. Whether you need this or not depends on how much you need the tweaks.

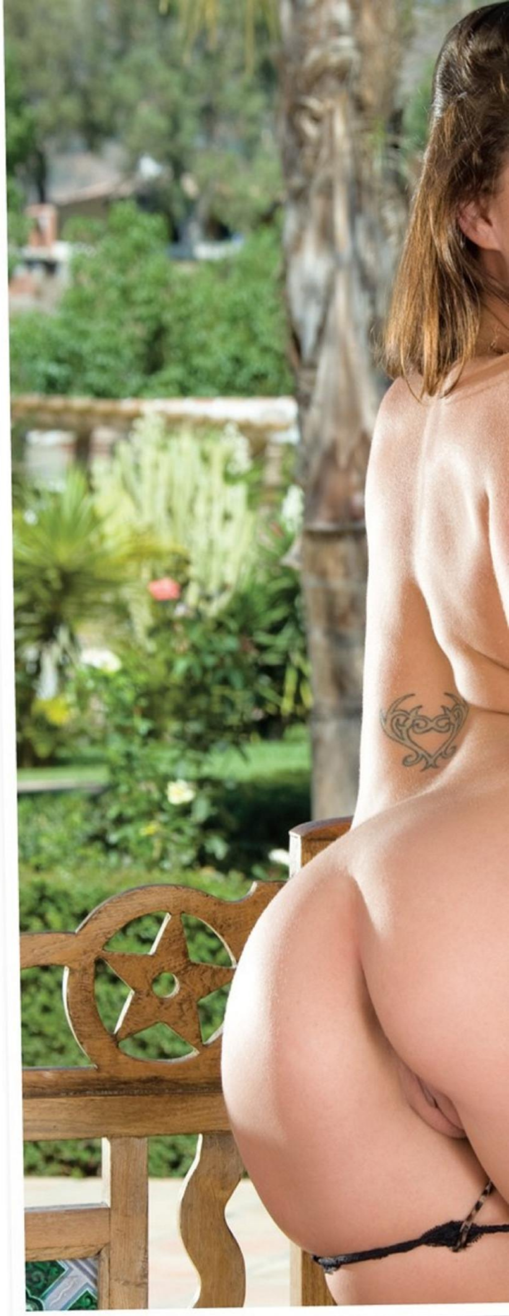
PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...



GOOD NEIGHBOURS PT. 2

I wrote in to *Peaches* a couple of months ago to tell you how I ended-up eating-out my husband's girlfriend and making her cum in the middle of a supermarket whilst a complete stranger filmed us on her phone [*Club 40/5*]. It's a fact that our sex life had been on the wane for quite a while before Amy came along; keeping things fresh after 10 years of marriage is difficult. But keeping things exciting really isn't a problem anymore and we've more than made up for any previous lean times over the last couple of months.

Chris calls the three of us his harem: Myself, his wife, Rachel; Amy, his 18-year-old girlfriend and Sarah who occasionally chooses to join-in our little games: Sarah being the stranger we picked-up in the supermarket after she filmed me eating-out Amy's sweet little pussy – my ultimate fantasy made very real. Since then we've had a few sessions but nothing on the epic scale of that first encounter. Chris was going away for a stag weekend in Dublin and Amy was out-of-town which meant I was feeling a bit left out.

Sarah rallied round and promised to organise something spectacular – all I had to do was host. She was going to arrange everything and she promised a few surprises, and the way she said it made me tingle.

Even I was shocked as I opened the door to find Sarah standing there with a blonde, blue-eyed beauty. It was half-past-six in the evening and still light… and the girl was wearing a collar around her neck, a shy smile and nothing else! I gaped at her nakedness, standing on my doorstep. There's no fence and only a low hedge at the front of the garden, which provided no cover whosoever. Sarah made introductions, "This is Samantha: Samantha; Rachel."

"Pleased to meet you, you can call me 'Sam' if you'd like," Samantha shook my hand as I was still trying to work out how she had come to be naked at my front door; there was no sign of either of them having jackets or coats of any kind.

"That's not an introduction; kiss her on the lips," Sarah said sternly. I noticed for the first time her outfit; high-heeled, thigh-high boots and a black corset done-up so tightly that her boobs were squeezed-up like balloons under her chin. In her left hand was a lead attached to Samantha's collar and in the other – my heart skipped a beat – was a riding crop. Samantha and I looked at each other and then moved together. She licked her lips in anticipation and then our lips touched; hers were deliciously soft, like expensive little pillows, opening eagerly at the touch of my tongue. Her breath was hot and fast – was she scared or excited – probably a bit of both. Whatever else she was, she was a truly great kisser; her body was arching into mine enthusiastically as my hand settled on the bony outcrop of her naked hip. I was getting turned on; I was kissing another girl, right in front of all my neighbours. Suddenly, Sam jerked away from me and she broke our passionate kiss. I gasped as I realised that the lead to her collar had been pulled taut.

"Not those lips, bitch," Sarah snapped at me and she touched the riding crop to my shoulder and applied downward pressure, "On your knees." Oh God no, not again. Someone was going to make me eat pussy in public for a second time. This time felt more dangerous; if I'd been seen in the supermarket, it was very unlikely I'd have been seen by people I know. Even if the staff had caught me, it was doubtful that anything would have happened. This time was different; this time it'd be people that I saw every day – my friends and neighbours – who

> “They treated my tender anal opening as you might a hungry pussy”

would see me between the legs of a beautiful naked blonde woman on my own doorstep; there would be no hiding from it.

A very big, very sensible part of me was telling me that this was too dangerous, too risky to do. But that wasn’t the part that won out. The irresponsible part that remembered how exciting it was to lick Amy’s pussy to orgasm drove me on. Wanting to do it again, despite the risks, I was on my knees, facing Sam’s neatly trimmed snatch. How much did Sam know about our history? She’d know where this was going if Sarah had given her our back-story. I looked up into her uncomprehending eyes and realised instantly that she didn’t have a clue. Whatever Sarah had told her to get her here naked, didn’t lead her to expect me to be eating her pussy out before she got through the door. Perhaps it had been a bet or a dare.

The crop moved from my shoulders to between her thighs and forced them open, wider than was strictly necessary, although not as wide as Sam’s eyes as she realised what was about to happen as I slowly leant forward and planted my mouth over her cunt.

I knew immediately that I was in trouble: When I’d performed oral sex on Amy in the supermarket, she’d known what was going to happen. The anticipation had driven her to the point of orgasm before I even touched her. Sam had had no such warning; her pussy was dry, her lips thin and clitoris withdrawn beneath its protective hood: It’d take me a good 20 minutes to reach a climax in the comfort of my own bed from such a cold start. My blood ran cold at the thought of kneeling on my doorstep beneath Sam’s naked body for 20 minutes. Fortunately, Sarah didn’t intend on letting it get that far right now.

“Enough of that! Inside, now!” she barked.

With much relief, I shuffled inside on my hands-and-knees and closed the door. At least I tried to. Blocking the doorway were two enormous men, clad in the same kind of gear as Sarah. I panicked and tried to slam the door in their masked faces but Sarah intercepted, “They’re with me,” she stated and let them into my house.

I gawped at Sarah for a moment as we stood in my hallway. “Take her clothes off,” she nodded to the two men and before I had chance to even gather my thoughts, my dress was yanked down and I stepped out of it as it pooled around my ankles. My heart was thumping powerfully – shock, excitement. I was totally out of control; totally at the mercy of my friend and whatever she had planned for me with these strangers. Masked men? I tried to think of any fantasies that I’d had involving them but came up with a blank. Then I realised with a jolt that this might not be my fantasy. My bra was pulled-off over my head without being undone, whilst my knickers joined my dress at my feet.

“OK you two, sit down,” and the two guys sat on the settee, leaving Sam and myself standing naked in front of them. “You two, hands-and-knees, over here now!” she

“The foreign cock penetrates my flesh and sinks slowly into my rectum”

shouted touching each male crotch with her crop. Something twigged in my mind. Sarah knew the rules – no blokes, no cocks other than my husband’s. As I crawled over the carpet and between the guy’s legs, I was feeling relieved, I could play along with this game – there was no stag do, that was just a front to make me think that Chris was away… and it explained the mask; it was to hide my husband’s face: It’d hardly be exciting to see my husband dressed in this gear; I’d be more likely to burst out laughing. Secure in the knowledge that I’d worked-out the game, I nestled-up between his legs.

“Get his cock out,” she instructed and I happily obeyed. Undoing belts and buttons before pulling the zip down and releasing the eager lump of flesh within. It wasn’t my husband’s cock! I felt sick with shock as it sprang up in my face. It was big; much bigger than my husband’s, probably two full inches longer and noticeably thicker than his… and it was hairy, unmistakeably male with dark skin and heavy veins. I looked up and Sarah was smiling down at me nastily, perhaps anticipating that I’d believed it was fantasy and that the ‘stranger’ was my husband. It was the first cock, other than my husband’s, that I’d seen in the flesh for over 10 years.

She knelt beside me and grasped it by the root. Unbelievably, it swelled further, the purple glans becoming shiny as the skin stretched taut. “I chose this especially for you – a fat cock for Rachel: Suck it,” I couldn’t do it, could I? She knew my rules: No cocks.

“Suck it, bitch,” she spat out. But she didn’t force me to do it. Oh no, I did this all by myself: It was just there, so big, so inviting – so pleased to see me. Hesitantly, I lowered my mouth… then further… deeper – it was definitely inside my mouth now, grazing teeth – top and bottom at the same time! I could feel its heat on my tongue and the roof of my mouth, unfamiliar aromas filled my nostrils… but still it was barely touching any part of me.

Then something caught in my throat and I swallowed, automatically closing my lips and straining mouth around his cock, the swallow sucking it deeper. I was almost sick with the thought of what I was doing and pulled away but as he groaned with pleasure, I found myself driving back down, engulfing the whole shaft as his meat burrowed deep into my throat. Dirty pleasures: I love giving head so much – Sarah must have known that I couldn’t resist the challenge of this monster cock – sucking this one was so bad, it was like a drug; I was compelled to continue, filled with a confusing high of physical pleasure and emotional pain.

Then I felt familiar fingers on my bum, Sarah

was behind me. No – she was sitting wide legged on the settee masturbating with the crop, camera-phone out filming all that she'd set in motion. "Then it must be Sam playing with my arse," I thought to myself excitedly.

Lubricated fingers pushed roughly into my arse – they were inexperienced, treating my tender anal opening as you might a hungry pussy. I could take it but I was glad that I was experienced in that area. As she drove deeper, I felt myself relax and deep inside, my sphincter opened. There was movement behind me and I caught a look on Sarah's face; she was holding herself on the very edge of orgasm. She was waiting for something special and I realised with horror, what that something was – neither of the two guys or Sam knew anything about the 'No cocks' rule. I realised too late that Sarah had engineered the whole thing for this moment. Oh Jesus! She was about to film someone other than my husband arse-fuck me. I still had time to pull away… but I didn't, even as gloved hands gripped my hips and an erect cock moved into position behind me, I stayed exactly where I was.

In the film, you can see the moment of acceptance in my eyes as I stare into the camera just as the foreign cock penetrates my flesh and sinks into my rectum: Short seconds later the cock in my mouth pulls out and spurts a veritable fountain of white man-juice all over my face. I don't make any attempt to wipe at it as it begins to run down my cheeks like guilty tears.

Realising that I'm not preventing either the filming or the arse-fuck, Sarah, having recovered from her orgasm, approaches for a close-up of my sperm-drenched face before heading round for a close-up of the pounding my arse is taking. It's strange watching the film back as it looks like a proper porno – my bum looks great and as the cock pulls out, the gaping circular darkness of my abused arsehole is very inviting. The film even catches my first ass-gasm, or whatever you call an orgasm that is triggered only with arse-fucking. You can see the powerful contractions as my arse opens and closes to the ripples of my pleasure. Then the guy came and I like watching the thick, creamy liquid spray over my skin before trickling down the cleft of my arse and seeping inside my open bum, or dribbling across my unused pussy and on down my bare thigh.

Sarah confessed that she had improvised on the day, playing the character inspired by the outfit she was wearing to coerce me to do something she knew I didn't want to do – testing to see how far she could push me on the night. Her actual plan had been for Sam and the guys to put on a little show for the two of us. I said that I preferred our version, to which she replied that I'm officially a 'fucking dirty bitch' and to be honest, there isn't really any arguing with that.

WE ALL ADORE-A...♣

...Kiara. She's juicy!

Kiara isn't happy.

"I thought I was going on the cover of *Club*? I've been so excited about it and now I find out I'm not on there!"

Yes, we're sorry. All we can say, Kiara, is that in any other month you'd have been sitting pretty on the cover of *Club*.

"So what happened? Who bumped me off?"

Here. Sunny Lane and her friend Alyssa. They're playing with soap and hosepipes.

"Okay. Actually, that's fair enough. I can totally understand. In fact, can you leave me alone with those pictures for a few minutes?" ♣

PornMags.net

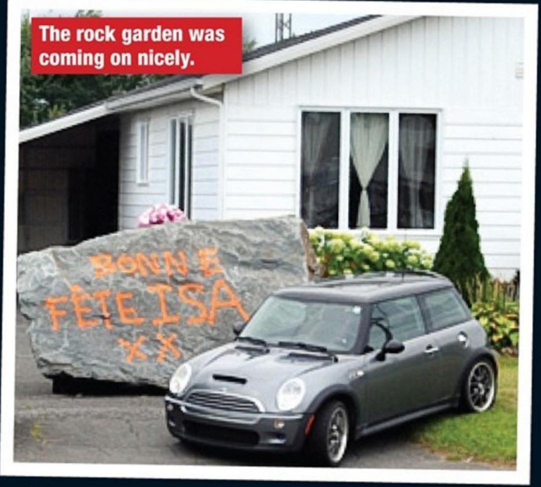
KIARA

What our well-placed moles are telling us this month...

DOWN THE WIRE

Rock of Ages!

It's always nice when married couples agree to stay friends when their marriage hits the skids and they divorce. Take Dany Lariviere, the civic leader of St. Theodore d'Acton (near Montreal in Canada), who, following a bitter wrangle of a divorce, marked his ex's birthday by dumping a 20 tonne rock on her driveway. Of course, women like to get a 'rock' for a gift, but usually a precious one, rather than just a big fuck-off slab. So where did the rock come from? A local quarry owned by Lariviere, obviously. He did go to the effort of writing a message on it, and wrapping a ribbon round it, but local jewellers have advised Isabelle Prevost, the recipient, that it's probably too big to be set. The Quebec Provincial Police were informed, the rock has been removed, and dignity has won the day.



The rock garden was coming on nicely.

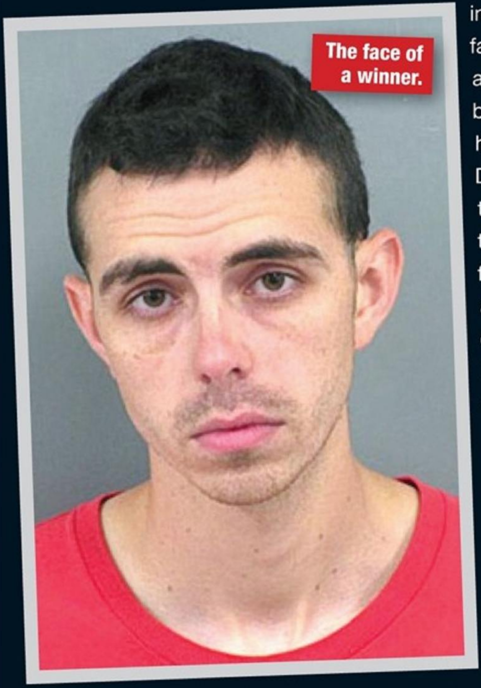
Good Moaning!

Whenever we – ahem – lay some pipe to the missus, or suck in some breath and dive face-first into her nethers, we enjoy hearing the moans and groans that tell us we're hitting the right spots. Or not. But a study at the University of Central Lancashire (and what hotter hotbed of hot sex is there than Preston?) says that the noises many women make during sex don't correspond to her own orgasm – but to the man's. In their findings, a woman's 'copulatory vocalisations' were most common before she came, or when her partner did. Why? The researchers reckon the women are 'manipulating male behaviour to their advantage'. That sounds about right.

I'm Not A Plumber,
But I Love
Laying
Pipe!

Taco Bell-end!

We once worked next door to a popular chicken franchise in Leeds that was staffed by the biggest bunch of filthy idiots you've ever met in your life, so while the following story raised a titter, it certainly didn't surprise us in the slightest. Jason Dean, a 24-year-old Taco Bell (huge Tex-Mex chain in the States, food fact fans) employee, sick of his advances being rejected by colleague, decided to handcuff himself to her. Dean, a fantasist, had told his potential mate that he was a volunteer firefighter (he wasn't), and the poor girl even changed shifts to avoid his dead-eyed leering. So when he handcuffed himself to her, claiming he wanted to talk, it was only inevitable it would end in police involvement and someone else being moved onto enchilada duty.



The face of a winner.

Golden Shower!

The main problem with the Guinness Book of World Records is that, in many cases, it doesn't measure real achievement. Okay, we're fine with the world's biggest spider being the world's biggest spider despite not having much to do with it – it's still a record. We're not so fine with someone having the world's biggest baked bean bath because, really, what's the fucking point? It's not like real people bathe in baked beans. So we were sniffy about the world's biggest shower, in Bournemouth of all places, which has duly taken its almost worthless place in the Guinness records pantheon. Sniffy until we learned it would consist largely of fit model types in bikinis. Yes, it was just a big publicity puff for Lynx's generally awful smellies, but it involved girls in bikinis. 152 of them. ♣

A good time to drop the soap.
